Introduction

Majoring in Computer Science and minoring in Finance, I enjoy fixing little details on the frontend but can also work my way around backend stuff. My skill set includes JavaScript, HTML, CPP, C, Python, CSS and Java. I take delight in working in a team with a focused goal to put technology to fruitful use.

Experience

Volunteer, Mozilla.

Aug. 2018 – Present, Remote

Contributing to Mozilla by working on Firefox's security

Outreachy Intern, Mozilla

May. 2018 – Aug. 2018, Remote

Improved the Certificate Error Pages for Firefox by revamping the user experience (including a new page for system clock skew), and worked a bit with security, accessibility and telemetry.
